**Dear Chairman Wich and ICC Nominating Committee,**

**Please accept this letter as my request to be considered for an at large position for the International Code Council Board of Directors at the 2024 Annual Business Meeting in Long Beach**

**My career has afforded me the opportunity to serve in many roles within our industry - inspections, plan review, permitting, and management. This has allowed me to grow my leadership skills and my technical knowledge. It has also given me the privilege of serving ICC at the local, state, and national levels for the past decade, which started at the national level with submitting my first code change proposal in 2016. Now, I have the honor of working as a leader among a diverse set of peers across the industry on code development as well as membership needs and other important initiatives at ICC.**

**These experiences make me an exemplary candidate for the Board because of my deep commitment to collaborative problem solving through working hand-in-hand with membership. At a time when we are**
