

- 1.0 **Purpose of Council Policy:** This policy establishes the different categories for ICC membership and outlines the benefits afforded to each category.
- 2.0 **Objectives:** Through International Code Council Membership, safety professionals from around the world work together in partnership with their peers in the profession. ICC’s global mission and vision are accomplished only through the engagement and support of its Members.

3.0 **ICC Membership Categories:**

3.1 **Public Sector Member categories:** In compliance with Article II – Membership and Article X – Code Development Process of the ICC Bylaws, Public Sector Members are those whose voting privileges extend to the Annual Business Meeting as described in CP#19, and to the Code Development Process, including Public Comment votes, as described in CP#28. These categories include:

3.1.1 **Governmental Members:** A governmental unit, department or agency engaged in the administration, formulation, implementation or enforcement of laws, ordinances, rules or regulations relating to the public health, safety and welfare.

3.1.1.1 **Governmental Member Voting Representatives:** Each Governmental Member shall exercise its votes through its designated Governmental Member Voting Representative.
