Deadline for the ballot was **Sept. 6, 2022.**

Ballots for proposals heard through January 19, 2023 were sent

the building codes – such as universities or other non-governmental agencies.

That this would be duplicative of existing scoping in the IBC and in some state cod

Look at IBC Section 102.2 Other laws. While this is in the sample ordinance in Item 10, this may be needed in the text. Should 'elements' be included to address previously constructed items such as signs.

Tabled to continue discussion at the next meeting.

The chair indicated that discussion will proceed in sequence from beginning to end rather than jumping around in the proposal and instructed the meeting participants to prepare for the next meeting by looking ahead and being prepared to discuss the next block(s) of subject matter. It would be preferable (not required, just preferable) to wait to submit modifications until after a block of text has been discussed and develop and submit modifications to that text at the following meeting. Provide modifications to staff using the modification [form](#) posted on ICC A117.1 webpage under Administration.

The chair requested that the agenda identify blocks of portions of the proposal in sections to limit the scope of discussion by topic.
